Had there been no  
star in the night  
had there been  
no flowers blooming  
bright no one would  
give such a  
care had you not  
been so pretty and fair

# An ode to women

Now I've come to know  
I am a woman of wisdom,  
My soft beauty of words,  
Means no less to everyone,  
But why does my heart itself  
grow so tender?  
And why do my dusky eyes  
wedup suddenly with tears?
