Freedom

Fashion is an imposition, a reign on freedom.

Fashion is about owning whatever you're wearing, regardless of if it's a high fashion statement or not.

Fashion is that thing
that saved me from being sad.

When I am putting looks together, I dare myself to make something work. I always look for the most interesting silhouette or something that's a little off, but I have to figure it out. I have to make it me. I think that's the thrill in fashion.
