The subtlest of colors
only those who understand and cherish
it can love it all.

EKATVA

13

The art and science of horticulture and
landscape design. It has beautiful pros
and cons.

EKATVA

13

The light green adds a natural look to the saree and has a vibrant look. The wide border complements the saree.

The lightest shade of orange, a warm glow,
blends into a deeper hue as it falls down
to a brilliant red.
