# Outfit instant Classic

Fashion is a language some know it, some learn it, some never will like an instinct. I base most of my fashion taste on what doesn't item.

Create your own Destiny

When you love fashion, there is no weekend. Everything just blends together.  
Fashion is about how you place the object on the person.

# Endless Beauty

Fashion is a great thing, its a way to express who you are.

Always & Forever

Fashion is about dressing according to what's fashionable style is more about being yourself Fashion fades only style remains the same

Make yourself Proud

The hardest thing in fashion is not to be known for a logo, but to be know for silhouette. Fashion is what you adopt when you don't know who you are.

# Glamour is Everything

In love fashion & there is no easier way to express yourself than through the clothes you wear. The difference between style & fashion is quality.

Essense of Perfection

Fashion should be a form of escapism & not a form of imprisonment.  
I still appreciate individuality style is much more interesting than fashion; really.

# Classic Touch

Fashion is not something that exist in dress only, fashion is in the sky, in the street, fashion has to do with ideas the way we live, what is happening.

## The Glamour Issue

Fashion is architecture, it is a matter of proportions. Fashion is silent language. Fashion should be a form of escapism & not a form of imprisonment. Fashion is almost like a religion, for me atleast.

Look young Gracefully

Fashion is inspire by youth & nostalgia & draws inspiration bom the best of the past.I dress for the image, not for muself, not for the public, not for fashion, not for men.
