## MINIMALIST MOMENTS

I don't think "minimal" is always about thinking too deeply. I try to have a natural approach to creative situations.

## THE PICTURE PERFECT

We all fight over what the label 'feminism' means but for me it's about empowerment. It's not about being more powerful than men - It's about having equal rights with respect, support, justice. It's also, very basic things. It's not a badge like a fashion item.
