*Elegance*  
of the yesteryears...!

Beauty is what you makes of yourself  
not how act, how you dress, how much  
makeup you wear. its how you present yourself.

*Womans Fashion*

A woman's dress should be like a barbed-wire fence: serving its purpose without obstructing the view.

# Glamour of the Ordinary

fashion is not necessary about labels its not about  
brands its about something else that  
comes from within be yourself coz everyone  
else is already taken. Next time you  
think of beautiful things,  
dont forget to count yourself in...

*Strongest Fashion*

Statement of the season and bold prints give fashion a quite attitude and elastic effect.
