Look young gracefully

An aged man is but a jelly ring, a lathered coat upon a stick, unless soul clap its hands and sing, and louder sing for every tatter in its mortal dress.

Designers want me to dress like Spring,
in blowing things. I don't feel like Spring. I feel like a warm Autumn.

Great looks awesome feel

That is the key of this collection, being yourself. Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live.

Be even more amazing

The connection between dress and war is not far to seek; your finest clothes are those you wear as soldiers.

A man of eighty has outlived probably three new schools of painting, two of architecture and poetry and a hundred in dress.

Shaping the future...

I have no dress except the one I wear every day. If you are going to be kind enough to give me one, please let it be practical and dark so that I can put it on afterwards to go to the laboratory.
