HERITAGE OF CRAFT

*Just a look at fabric with a
touch of heritage is all that's
needed. The colors and the
intricate patterns give you
a feel of the place
a sense of belonging, a feeling of
pride in our heritage.*

MONUMENT OF WEAVES

*A Monument is not a mere garment
it is a living testimony of the
craftsmen's handiwork skills
It also represents a
testimony of art,
with a grandeur or the number
having the hands of the
craftsman in the
production with the same*

THE ROYAL FEEL
In the grandeur of the past, we find the royal feel. It is a feeling of elegance and grace, a feeling of being a queen. It is a feeling of being a woman who knows her worth and is not afraid to show it. It is a feeling of being a woman who is confident and self-assured, a woman who is a queen in her own right.
