*fashion is not something that
exist in dress only,
fashion is in the sky,
in the street, fashion has
to do with ideas the way we live,
what is happening.*

*I appreciate simplicity, true beauty that lasts over time,
and a little with and eclecticism that
make life more fun.*

*The hardest thing in fashion is not to be known
for a logo, but to be known for silhouette.
Fashion is what you adopt when you
don't know who you are.*
