# Marvellous Fashiobista

The difference between style & fashion is quality. Fashion is a great thing, its a way to express who you are. Fashion is inspire by youth & nostalgia & draws inspiration from the best of the past.  
Fashion is almost like a religion, for me atleast.

Fashion should be stylish & fun. I still appreciate individuality style is much more interesting than fashion; really Fashion should be a from of escapism & not a form of imprisonment.

*Mood effect*

Fashion is a language some know it, some learn it, some never will like an instinct. I base most of my fashion taste on what doesn't fit.

*Extreme beauty*

Fashion is not something that exist in dress only. fashion is in the sky,  
in the street, fashion has to do with ideas the way we live, what is happening.
