YOU

should always feel pretty

*Fashion is a form of ugliness
so intolerable that we dare not
allow it to persist for more than
the space of a few hours. That
which is considered to be elegant
is the woman who is wearing it.*

YOU

should always feel pretty
Fashion is a form of self-expression
or celebration that we have the
right to wear as much as we
want. It has changed what
we are perceived as a society,
the women who are wearing it.

KEEP

calm & surround yourself with fashion

Fashion is not necessarily about brands. It's about something else that comes from within you.

031

LIFE touches you everything
about fashion
*what you wear is how you
present yourself to the world.
Especially today, when human
needs are so quick. Fashion
is an instant language.*
