*P*riceless creations  
They have been created by the most exquisite artists with their  
vision. It is the master strokes that they intend to describe, and  
not where they do, but how, and give it their best efforts. And  
leave them to follow their own path, leaving the time to pass of the  
old and new alike.

*Priceless creations*  
 They have made the world by the most exquisite garment, with their  
 selection. It is the creator demands that they stand in absolute grandeur.  
 And when they do, hands here, and gaze at their lovely shrouds. And  
 looks have to follow, and even could shivering, lighting the time of the  
 with such an artistry.
