Resplendent Black

GANESHA

Clad in a garb of black fashioned to reflect her magnificence, she looks beyond. Beyond the world we know and love and cherish, into the realms beyond. Farther than any human eye can fathom. Some say she is glimpses the angels, resplendent just as she is, go about their daily routine. The smile on her face says nothing, and yet says it all.

A ballad of ancient grace

*...and as they sing the strains of her being in the words of an ancient race. 'Tis passion a picture of her art, her gifts,
her power and adversity, her lovely garments. All these other lights as it shines like the stars before.*

Life evolves from sand

From the darkness, from the unknown and from every thread, the woman, she has made her world. When she's young, there is life. From the stars above to the sand below, they all sing her praise. The desert does call her name.

The Uptown Girl

GANESHA

*Well, you are in a class of your own.
And above the rest of the world,
making you truly a supreme being.
You're an uptown girl in a world of
broadway class. The world follows
what you do, and imitates your every
step.*

Stately Green

GANESHA

The King is besotted with her. With her looks, with her mannerisms and with the way she dresses. Her portrait is imprinted in the inner recesses of his heart and soul. He wants to marry her and bring her to his palace. But he hesitates. Because even his palace with all its splendour is inadequate for someone so divine. He desires, and sometimes pines for her.
