A woman's dress should be like a barbed-wire fence: serving its purpose without obstructing the view

What you wear is how you present

*Elegance
of the yesteryears...!*

Beauty is what you make of yourself
not how act, how you dress, how much
makeup you wear. it's how you present yourself.

Statement of the season and bold prints give fashion a quite attitude and exotic effect.

Fashion is a great thing. It's a way to express who you are. Fashion is a language some know it, some learn it, some never will like an artist.

FASHION FORWARD

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.

Motivation Determines what you do

Fashion is inspired by youth & nostalgia & draws inspiration from the best of the past.
Dress for the moment, not for myself, not for the past, not for future, not for men.
