# CARINE'S SWEET 16

They surround her as she treads the forest. She gazes expectantly, and beams at them. They bow in subservience, in eternal servitude to the glory of eternal beauty. The vines and leaves sheath sway as she passes, whispering her perfect name and singing praises about her majestic sari. No one knows how she looks absolutely amazing! Whispers abound across the grasslands, and some say she can channel the power of the earth and create an enchanting aura about her. Some say she knows ancient secrets, and is blessed with an ageless charm. We say, it's just her sublime and masterfully crafted range of saris. What do you say?
