SCENT OF ELEGANCE

Age becomes reality when you hear someone refer to that attractive young woman standing next to the woman in the dress, and you find that you're the one in the dress.

FEMININE GRACEFUL

What do I think about the way most people dress? Most people are not something one thinks about. Wearing the correct dress for any occasion is a matter of good manners

CRAFTED FOR ETERNITY

I have no dress except the one I wear every day. If you are going to be kind enough to give me one, please let it be practical and dark so that I can put it on afterwards to go to the laboratory.

TIMELESS MASTERPIECE

If you want to make an audience long,
dress a man up like an old lady and
down the stairs.

CULTURAL REVERIE

I like to address women - not to dress them. You know, like Manet's 'Olympia' or Helmut Newton's photographs - naked women with shoes. This is what I am trying to do.
