# NOVEL

STORY

For this season, our outfits are inspired from personal  
stories of women. The fabric is fine, the clothes we offer  
will make you feel like you're in a story. The language is distinct.  
Our designs are original and fine. As our clothes are a  
result of a long team of creative designers, you will  
find a fresh story with each outfit and that is what  
makes the collection timeless.
