*Glossy
&
Trendy Look*

Since love grows within you, so beauty grows. For love is the beauty of the soul
Inner beauty should be the most important part of improving one's self.

*Dashing
in
Clance*

People are like stained - glass windows. They sparkle and shine when the sun is out,
but when the darkness sets in, their true beauty is revealed only if there is a
light from within I appreciate simplicity, true beauty that lasts over time, and a
little with and eclecticism that make life more fun.

Smart clothing.
Everyday living.
There is a beauty about a woman whose
confidence comes from experience;
who knows she can face, pick herself
up & move on.
