“SIX YARDS OF PURE GRACE, ELEGANCE AND BEAUTY”

The beauty of a woman lies not in her facial features but in her quality of character. It is the caring that
and beauty that give her grace and charm. It is the heart of a woman that sets the pattern for her life.

THE FASHION
Byword

The difference between style & fashion is quality. Fashion is a great thing, but it's not the reason why you are looking at a designer's work. Love it, wear it, and you will love it.

D.No.2905

STUNNING

how the best of the past, I dress for the future, not for myself,
not for the world, not for others, not for you.
