I have always designed my own style and  
everyone  
would ask me where I got it from....

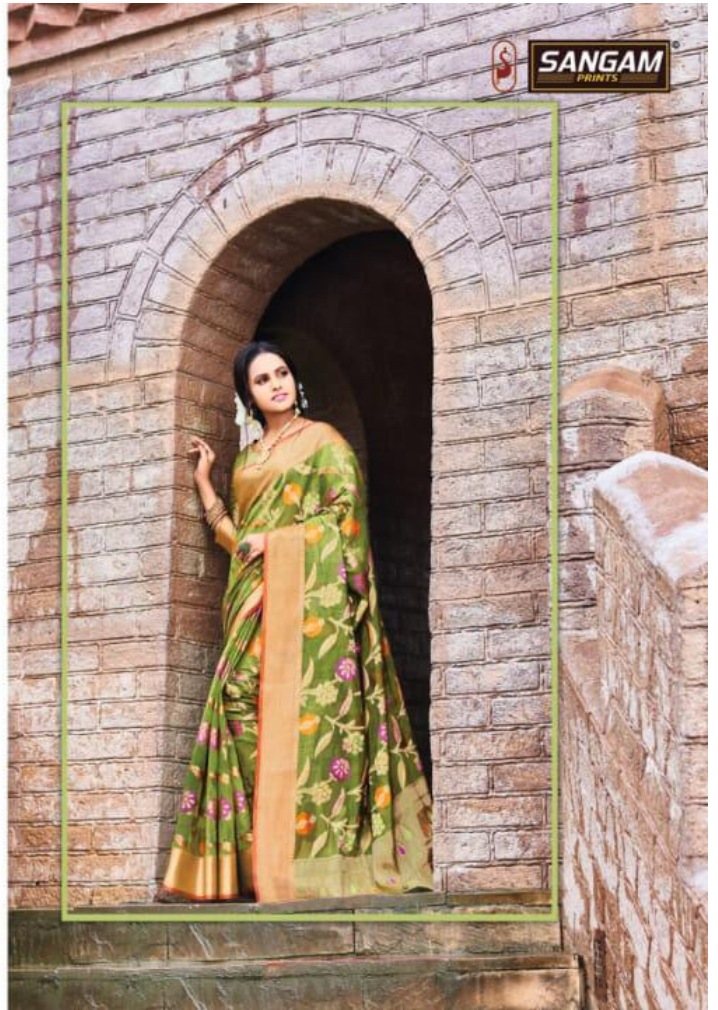

### Dream in Fashion

Clothing in India varies from region to region depending on the ethnicity, geography, climate and cultural tradition of the people of that region.

3003

Get ready in this season with  
these absolute essentials  
that make your look  
beautiful.....

3004

Garden is a collection of all sorts of flowers in it, similarly, is the present bunch of designs. The collection is set to be rolled out for the women assembly to notice the variety that it offers
