The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows.  
The beauty of a woman grows with the passing years.

The beauty of a woman must be seen from in her eyes,  
because that is the doorway to her heart, the place where love resides  
Real beauty is to be true to oneself. That's what makes me feel good

CLASSIC

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever. There is in true beauty, as in courage, something which narrow souls cannot dare to admire. Real beauty is to be true to oneself. That's what makes me feel good.

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the person that she shows. The beauty of a woman grows with the passing years.
