They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were saved from desire, and so too their dresses... which are a source of great envy to all those who don't possess them.

The advertisement features a repeating pattern of small, light-colored fleur-de-lis symbols on a white background. At the top, the brand name "ALIZEH" is written in a stylized, serif font, with "GOLD & JEWELRY" in smaller text below it. Underneath, the word "MYSTERIES" is written in a large, bold, serif font, followed by "of the sands" in a smaller, elegant script font. A small inset image shows the woman in the red dress and veil. Below the inset, there is a small paragraph of text and a circular logo at the bottom right.

Little girls among the world not all her pictures, from her ancestors, to
regarders, we picture and put their on their walls, wanting one day to be
as graceful as her, to follow her in their pride, and then dream of
emulating her someday. Not their pride, their joy, their source of
inspiration.
