They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were saved from desire, and so too their dresses... which are a source of great envy to all those who don't possess them.

This is a vertical advertisement for ALIZEH GOLD & JEWELRY. The background is a light-colored wall with a repeating pattern of small, stylized fleur-de-lis motifs. At the top, the brand name "ALIZEH" is written in a bold, serif font, with "GOLD & JEWELRY" in a smaller font underneath. Below this, the word "MYSTERIES" is written in a large, spaced-out serif font, and "of the sands" is written in a smaller, elegant script font. In the center, there is a smaller version of the woman in the red dress and veil. At the bottom, there is a small, circular logo or seal. The overall aesthetic is elegant and sophisticated.

Little girls among the world not all her pictures, from her ancestors, to
regarders, we picture and put their own face, wanting one day to be
as graceful as her, to follow her in their pride, and then dream of
emulating her someday. Not their pride, their joy, their source of
inspiration.
