"I WANT CLOTHES, WHEN NAKED FASHION"

The right side of the image is a promotional graphic for the brand. It features the brand name "MISHREE CREATION" at the top, with a small green bird logo above it. Below the text are two smaller photographs of the woman in the lehenga. The first shows her sitting on a white chair, and the second shows her standing, viewed from the back. The background of these photos is a scenic view of a lake and traditional Indian architecture. At the bottom of the graphic, there is a small pink lotus logo with the text "K-1304" and the slogan "I WANT CLOTHES, WHEN NAKED FASHION" in a stylized font.
