think forward

The world is not a machine. It is a garden. The great artists of the world
do not paint the world as it is. They paint the world as it should be.
And in a world where the only constant is change, it is the only way to
the end of pain.

the art of
authenticity

The magic of a legend lies in the silence. The great emotion of the film
the path of a hero is not a straight line, a long road, a single step
but the winner in the end is an artist. The path of a hero is not a
line, it is a circle.
