The only constant in fashion is change.

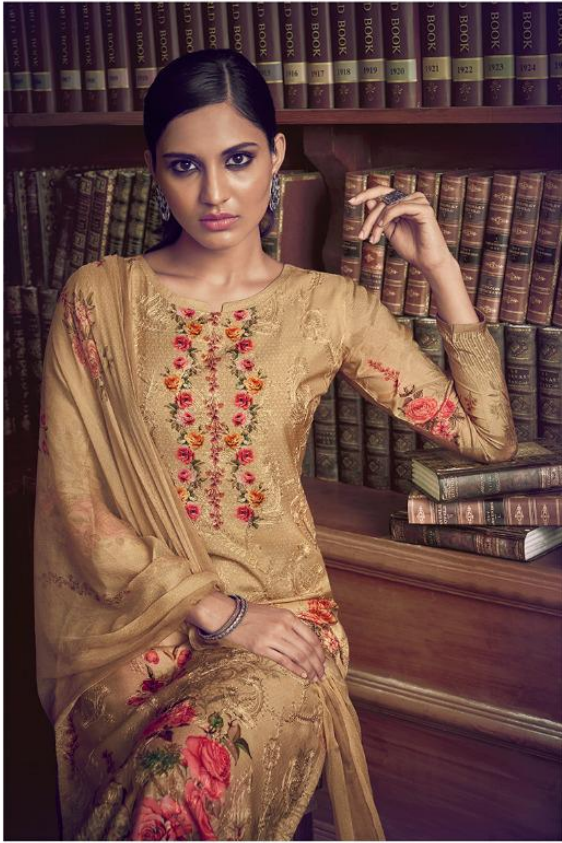

There is something about the sari that makes a woman look dignified, charming and every bit stylish.

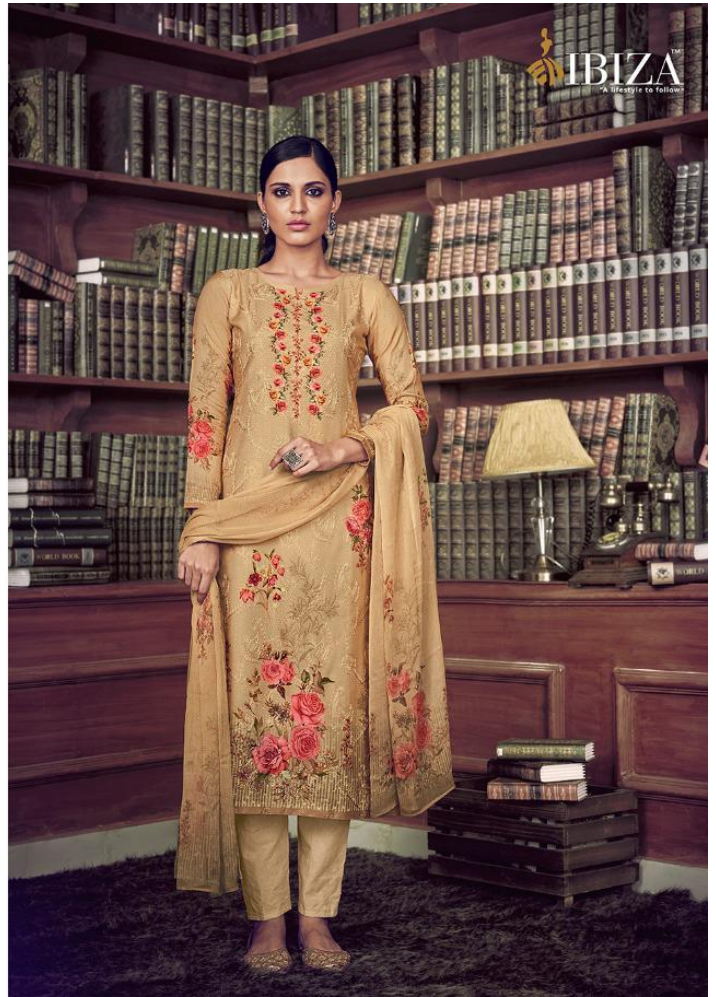

490

which keep the classic flavours alive of indian fashion.

We're feeling beauty this summer with amazing design and pleasing

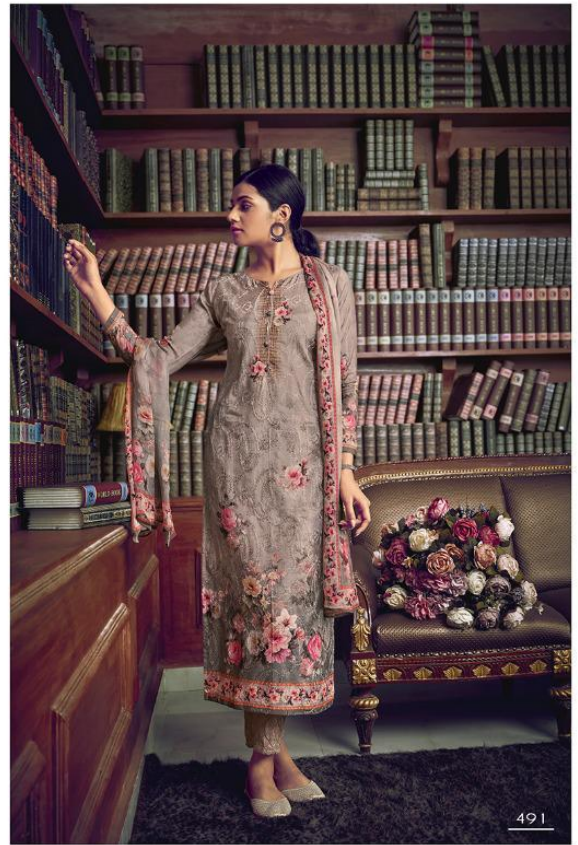

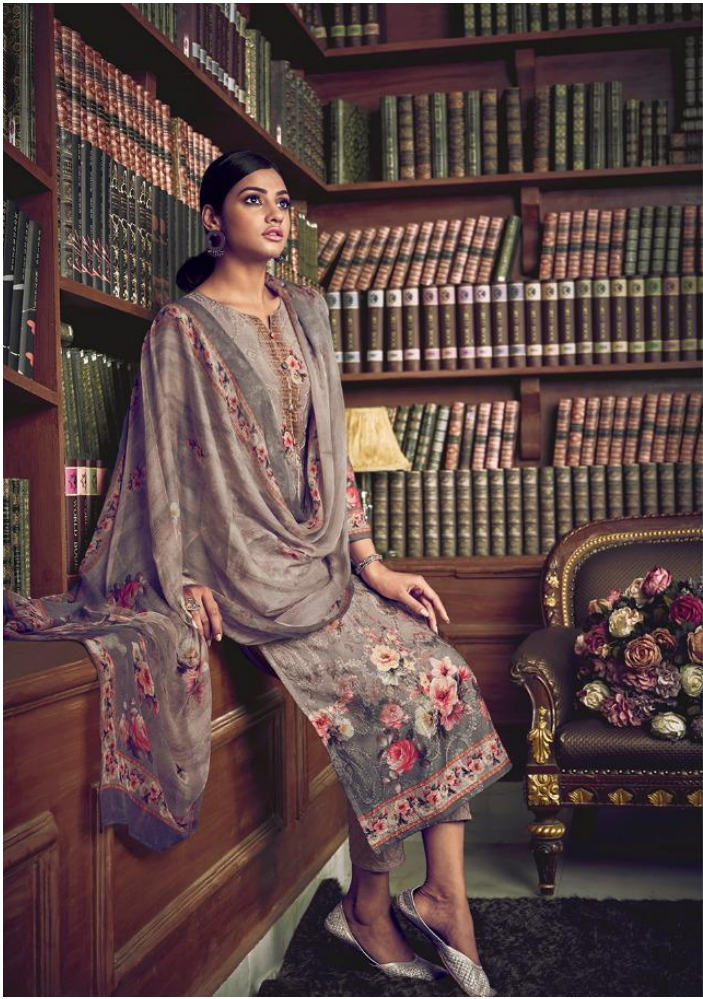

486

It's the kind of clothes that mothers and daughters can wear,
in terms of concept...

ELISE-2

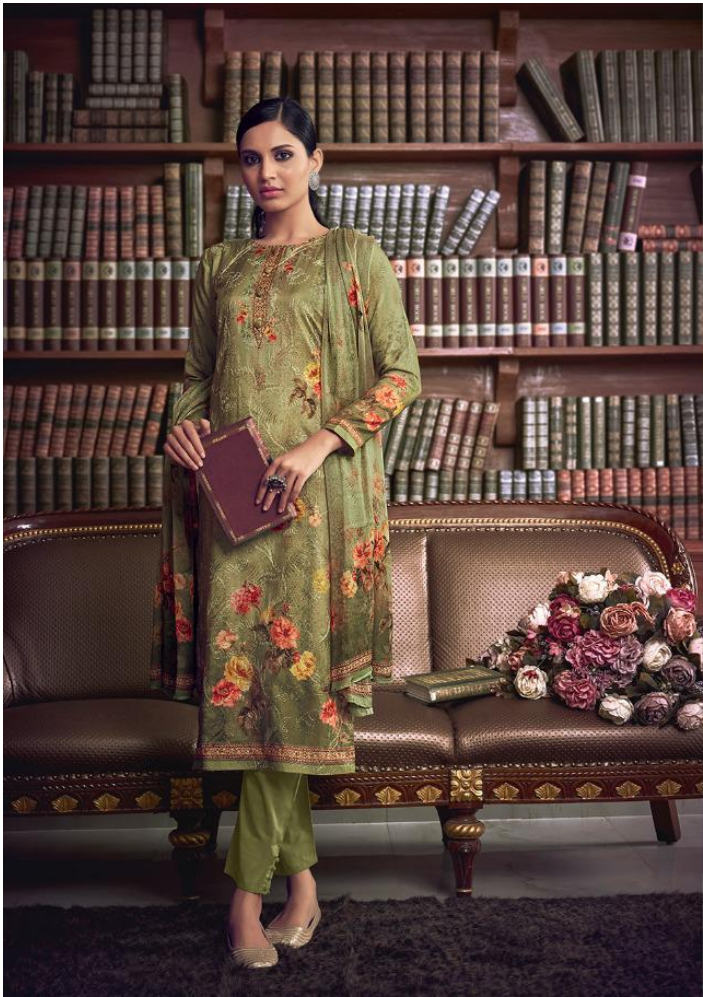

491

colours promise to get us in the mood, in a single bound.

487
Its about taste, and its about lifestyle.
