People are like stained – glass windows. They sparkle and shine when the sun is out,
but when the darkness sets in, their true beauty is revealed only if there is a
light from within I appreciate simplicity, true beauty that lasts over time, and a
little with and eclecticism that make life more fun.

A gorgeous dress with contemporary design would add freshness and stunning glamour to her look...

Inner beauty should be the most important part of improving one's self.

Beauty is what you makes of yourself not how act, how you dress, how much makeup you wear. It's how you present yourself.
