The beauty of a woman is not in her face, but in her smile, her walk, her hands, her eyes, her passion, her attitude, her way of thinking, the way she looks at life, the way she lives it, the way she loves it, the way she is loved by others. The beauty of a woman is not in her face, but in her smile, her walk, her hands, her eyes, her passion, her attitude, her way of thinking, the way she looks at life, the way she lives it, the way she loves it, the way she is loved by others.
