

VACCINE

The happiness of being envied is glamour

style is the woman herself

It is ever so much easier to be good if your clothes are fashionable

you don't have to be perfect to be pretty

Evening fashions have to be fabulous. Don't be just better...be the BEST.

VACCINE

When a woman smiles, then her dress should smile to.

elegance comes from being as beautiful inside as outside

elegance is not standing out, but being remembered.

FASHION is about going ahead, not about memory
