# COLOURS OF EXISTENCE

Small, illegible text block, likely a brand or collection description.

D.No.1484

# THE ANGEL FROM THE EAST

The most beautiful, delicate, and graceful of all the flowers, the rose, is a perennial symbol of love, beauty, and passion. It has been used in many cultures and religions. The rose has been used in many ways, from perfume to medicine to food. It is a symbol of love and beauty.
