In pursuit of **cion**

Women, both past and present, who changed the course of history,
and played their part for the greater whole. May their stories and experiences remind us of what we are capable of.

A woman in a traditional Indian saree stands in a lush garden filled with vibrant pink flowers. She is wearing a saree with intricate gold and red patterns, a pink blouse, and a heavy gold necklace. Her hair is styled up, and she wears a large gold and diamond headpiece. She is holding a small bunch of pink flowers in her right hand. The background is a dense wall of pink hollyhock flowers.
