*Fashion never sleeps. There is always the
new project, the new opportunity.*

Style is knowing who you are, what you want to say, and not giving a damn.

4008

*Fashion is not something that exists in
dresses only. Fashion is in the sky, in the
street, fashion has to do with ideas, the way
we live, what is happening.*

and you make it look
like you're leading the

*What you wear is how you present yourself
to the world, especially today, when human
