## Fashion Trends

*In the 1950s, the style trends of the fashion industry dominated the East, and more than they ever did, and it was not only the way people dressed but also trends in home wear design, makeup, fashion and people's overall attitude. In the 1960s, people did not only wear flares and jeans, it showed up the whole attitude of a generation, and this is even more prominent today. Nowadays, fashion is bold and striking, and this reflects a younger generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the manner of your personality and belief, and designers are well aware of the power they hold. Changes in production and design in the ready-made sector are more boldly distinguished than in the past, and this revolution is the world.*

## Fashion Trends

*In the 21st century the style trends of the fashion industry do mirror the world we live in. They cover all, and extend not only to the way people choose but also trends in home decor design, wedding fashion and people's overall attitudes. In the 19th century people did not only wear fashions and trends, it mirrored up the whole attitude of a generation, and this is even more prominent today. Nowadays, fashion is bold and daring, and this reflects a younger generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the mirror of your personality and beliefs, and designers are well aware of the power they hold. Designers, producers, and designers for the coming season are surely being outspurred than ever. If this revolution in the world.*
