IT WAS **the**
season
THAT...

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening.

THE BEST *of* COUTURE

Think austere natural fabrics and muted hues. Monastic chic conjures the idea of a spiritual asceticism that has no space for frivolous fashion

A woman with long, dark, wavy hair is the central figure. She is wearing a dark green, long-sleeved kurta with intricate floral and geometric embroidery in gold and red threads around the neckline and on the sleeves. A teal-colored shawl is draped over her shoulders. She is also wearing large, ornate gold and blue earrings and a gold ring. She is standing in front of a pink building with traditional Indian architectural features like arches and pillars. A green plant is visible in the lower right corner.

The Way *she* wears it
