Growing

beautiful gracefully

Feel about it, embrace it, let it grow, let it flourish.
Elegance in style, Grace in women, Perfection in couture, is in RSF with us.

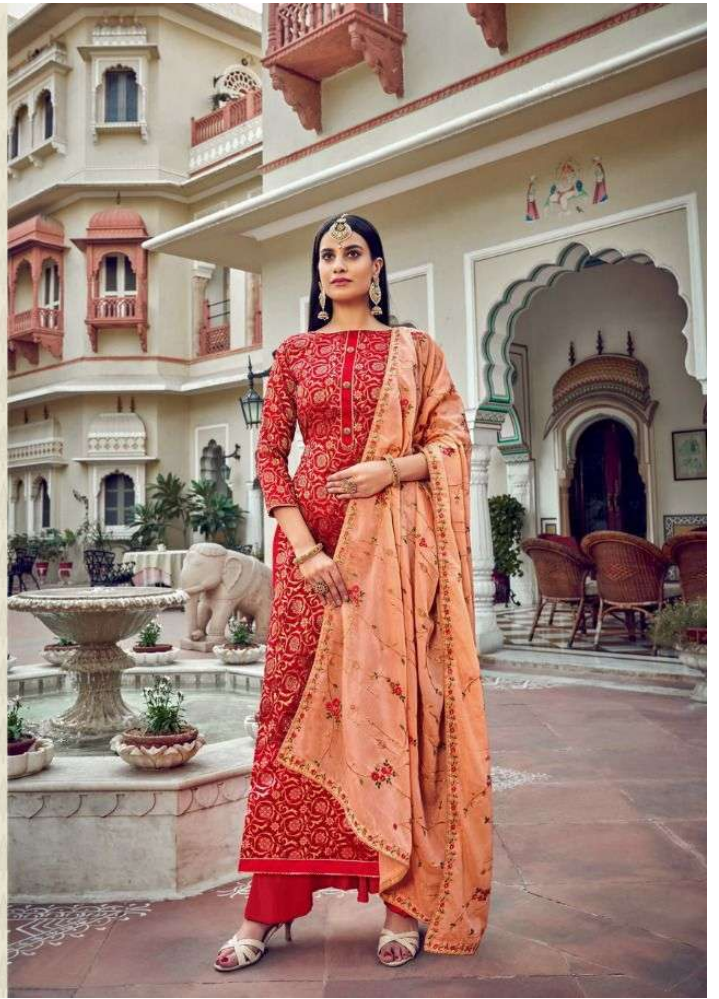

CELEBRATING THE BEST OF FASHION
*Elegance is the hallmark of a woman's personality, grace and poise.
We make clothes, women make fashion.*

D.No. 21502

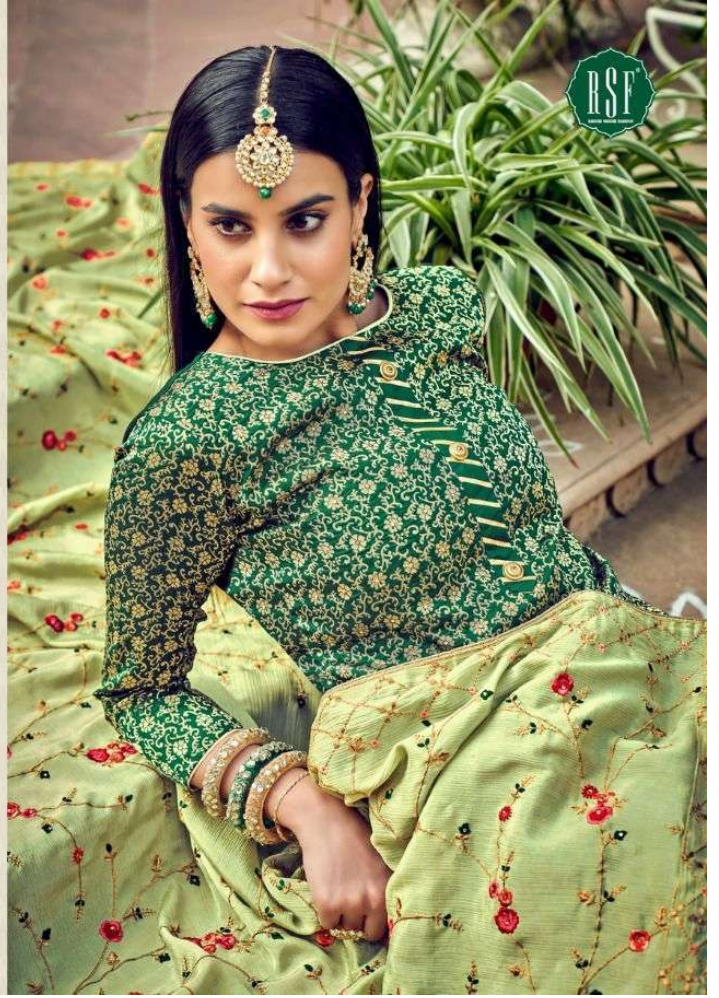

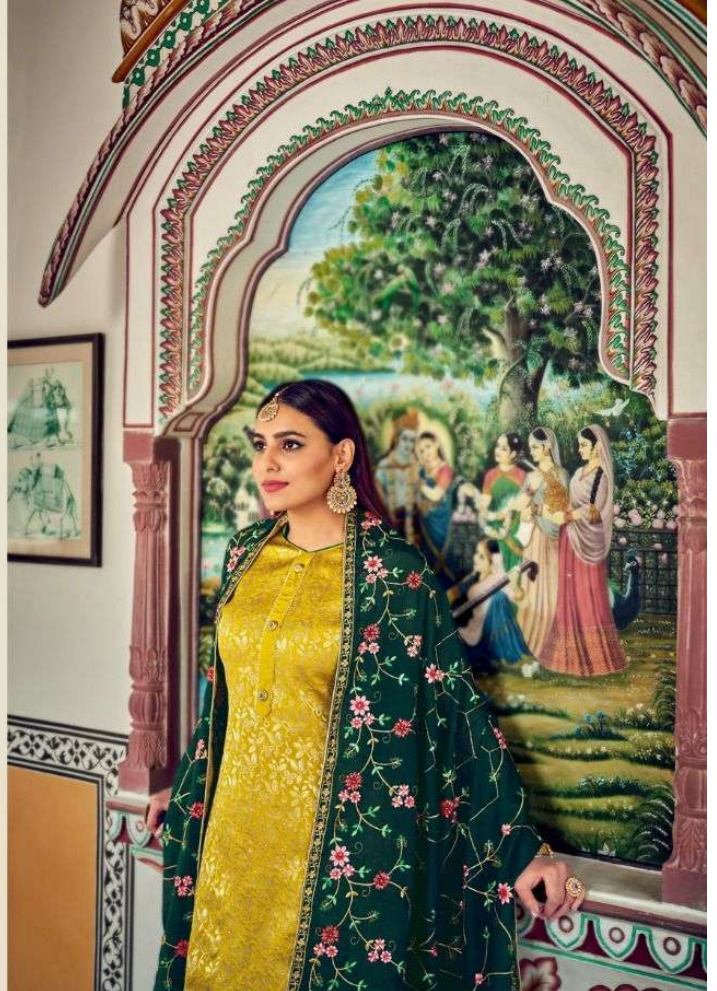

THE SEASON IS UNIQUE SIGNATURE COLLECTION.

Cover up for your own self, not for the world who judge you by your outfit. You should be confident enough about yourself. It takes a while to dress properly and right is more about being yourself.

THE MOST STUNNING OF BEAUTY
*Beauty is what you make yourself and how you act, not how you dress.
How much you smile in. How deep is in person character.*

FANTASTICALLY INDIAN BUT TRULY STYLISH

Design is a constant challenge to balance comfort with form. The price is of all the details. Fashion has a right to exist because it allows people to define themselves and their own space.
