**Unblemished beauty**

**1003**

As the ages pass, as kingdoms crumble and new ones rise from the ashes like a glorious burden; their beauty is a constant source of illumination to the world around you. These damsels are also dressed in garments which never fade with time, with trends, with fads.

Dazzling patterns

Some say they are not patterns. They are memories from a time when the world was younger and longer ago. They've been woven into the exquisite garments of these brave maidens. For only they can bring about this awe again with their grace and style.

### Dazzling patterns

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carried into the exquisite garments of these classy maidens, for only they can bring about this age again with their grace and style.
