*Absolutely
Fuchsia*

People are like stained - glass windows.
They sparkle and show when the sun is out,
but when the darkness sets in,
their true beauty is revealed only if there is
a light from within.

Wonderful Shades

Good beauty is to be true to oneself. That's what makes me feel good.
The best part of beauty is that which no picture can express.

Fashion Desire

It is because that she lovingly gives the
passion that she shows. The beauty of a
woman grows with the passing years.
Beauty is power, a smile is its sword.

Classic Appeal

The beauty of a woman is not in a facial feature but the true beauty of a woman is reflected in her soul.

Simplicity Beauty

I appreciate simplicity, true beauty that lasts over
time, and a little wit and eccentricity that
make life more fun.

Charming Looking

What beauty is to be seen is rare? That's what makes me feel good. Beauty is the first present nature gives to women and the first it takes away.

Variable Style

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever
