D.No. 1005

In the 21st century, the style trends of the fashion industry dominate the world more than they ever did, and designers, not only the way people dress but also the colors in home decor, cars, and even the way we live. Fashion is bold and daring, and this reflects a society that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body; it is the essence of your personality, beliefs, and desires. And designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more widely anticipated than any other revelation in the world.
