In Perfection, She Dwells

In the beginning there was beauty...  
The Lord dipped his pen in the  
color that contains more of beauty  
and designed the world. And  
in the corner he created a woman,  
placed in a dress as divine... She  
looked like an ultimate creation.  
And she said when you show to the  
world here you look much like her.

You realize that you are in a league above all others. When it comes to life, to shine up, to appreciate, you're miles above the rest of the world's surface. You're in any way that a soul. For the most, having earned that bubbly never comes. You're in some of their league. Stay above the world, stay as high as the sun.
