# A ballad *of ancient grace*

Many years pass until he remembers you, in your own crafted out of minds and happiness. And those reflections cause him to stop, to ponder to reflect and ultimately to rejoice. Your art is magic, it is perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he despairs, because the desire to see you is endless and boundless.

In the sea of the mundane,  
you stand alone a paragon  
of life in an otherwise ex-  
emplary world. A vision of  
you, clad in our marvellous  
creations tells the story of  
an island surrounded by  
the vast and jealous  
oceans, ever trying to chip  
at your beauty...but fail-  
ing everytime. You stand  
unimpeded, untouched and  
unblemished.
