When you love fashion, there is no weekend.
Everything just blends together. Fashion is about how
you place the object on the person.

I dress for the image, not for myself, The hardest thing in fashion is not to be known for a logo, but to be known for silhouette.

Fashion is about creating something to write a fashionable story, it is more about being yourself. Fashion fades only style remains the same.

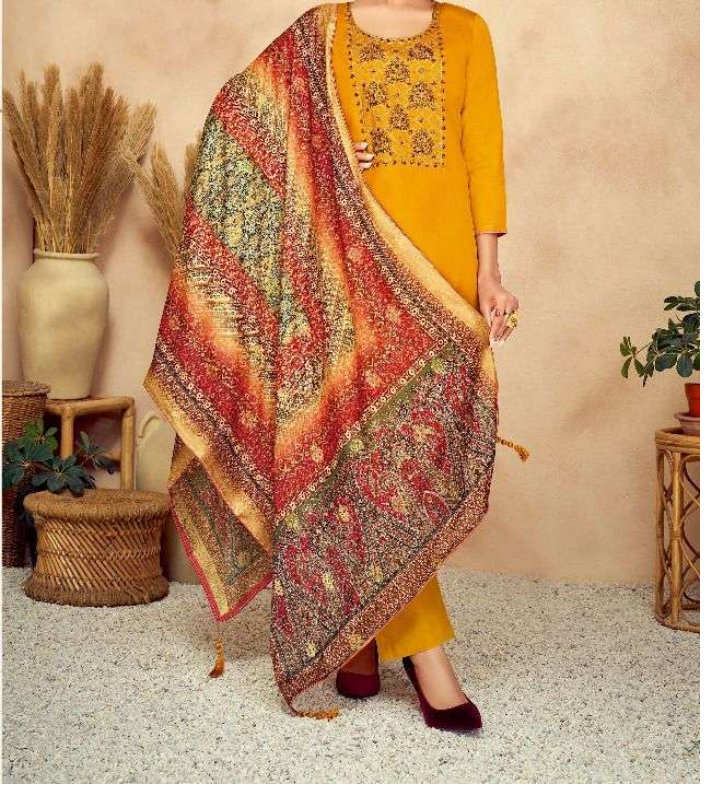

Fashion is not something that exist in dress only, fashion is in the sky,
in the street, fashion has to do with ideas the way we live, what is happening.
