From business meetings to parties, from political talks to red carpets, from college interviews to Indian weddings, they actually have many occasions. One of the most ancient art forms translated on fabric using natural dyes, Kalamkari creates an artistic, versatile mode to go (Indian).

*Fine Indian embroidery is made from natural silk in mid-weight, from village women in India.
In fact, it's made from many meters. It's of the most ancient and finest traditional art.
Using natural dye, a vibrant color is created made by the Indians.*
