A woman with long, wavy brown hair is standing in a decorative, light-colored archway. She is wearing a vibrant red, long-sleeved, knee-length dress with intricate black and gold embroidery. The dress features a V-neckline with a decorative border, a fitted bodice, and a flared skirt with a wide hem. The hem is decorated with a repeating pattern of small, dark, teardrop-shaped motifs. She is also wearing light blue high-heeled shoes and a silver watch on her left wrist. The background is a light-colored wall with architectural details and hanging pink and white flowers.
