MODERNIST

High and low isn't such a novelty thing. It's how young people interpret the life we've been given. It's how we look at luxury brands. It's how we look at heritage brands.

"You can't see the
light of your passion. The way
you're looking at me are
only when I'm gone.
I have a lot to tell you
in your life. It's about the
experience and
the love of life."

"Fashion is not about
what you own. It's
about how you wear it.
It's about the way you
feel. It's about the way
you look. It's about the
way you live. It's about
the way you are."
