# GODDESS *passage*

You are a journey. You have  
memories and  
visions, and take me  
throughout the places  
where you  
dreams are realized.  
When every  
dream of mine  
becomes my present by  
being  
guiding me to a  
better new tomorrow.

GODDESS OF  
STYLE

G

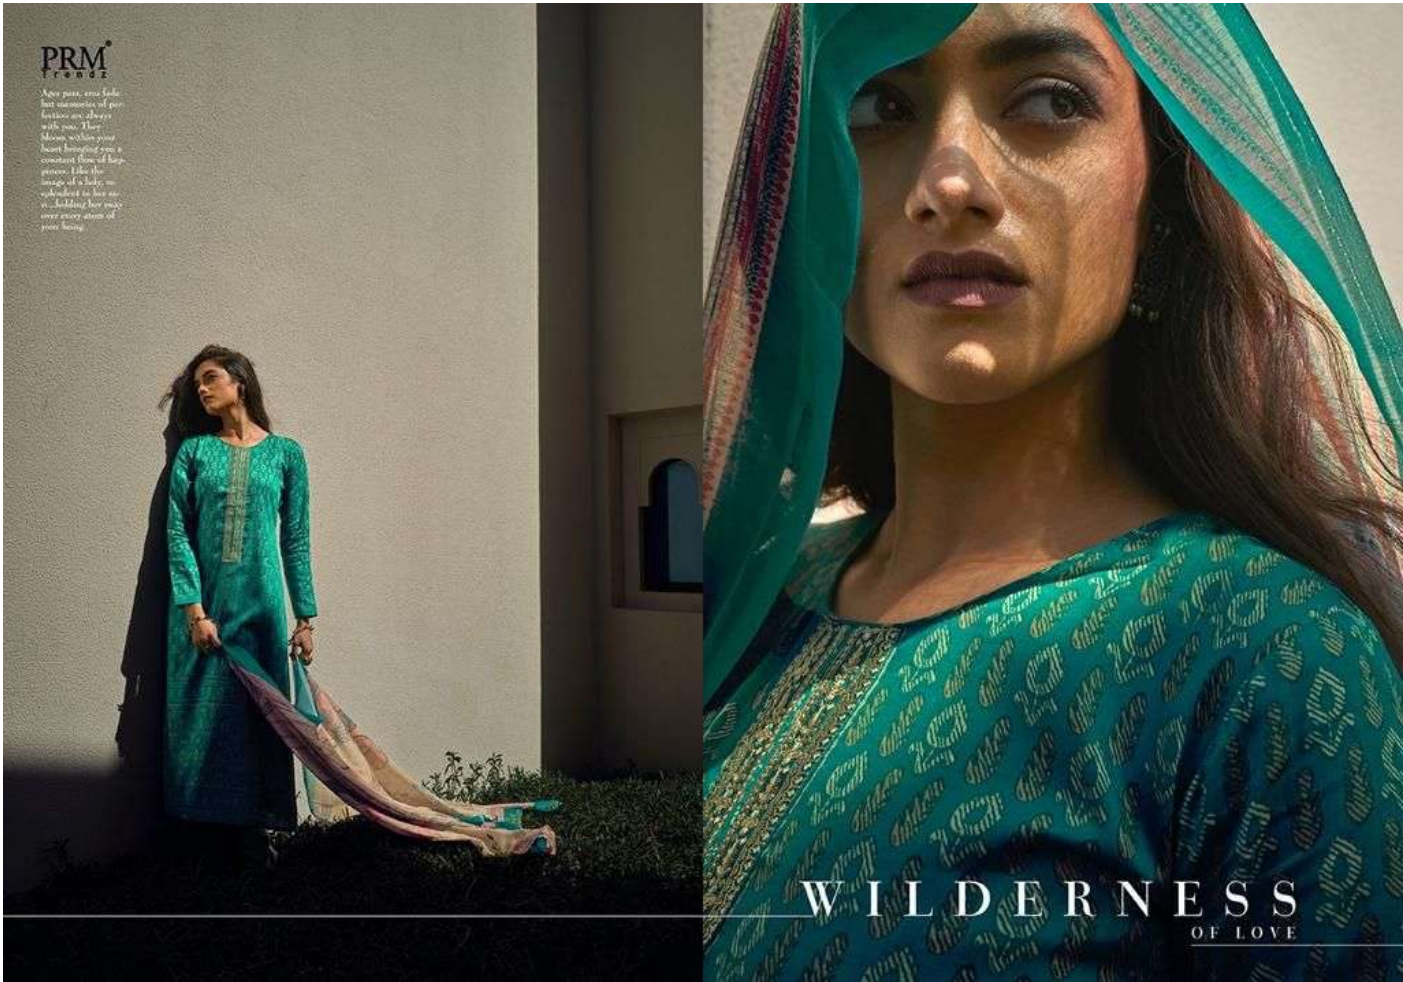

As some birds flutter,  
across the vast of the  
world, their wings  
flutter, they grow  
strong and resilient,  
as they search a realm,  
a hope, an example of  
resilience from some  
good will. By this  
time, I have a sense  
of a new, beautiful  
world, breathing  
in the wings of your  
dreams.

Agee pass, and fade  
but statistics of pain  
faded on, always  
with you. Her  
heart within your  
heart bringing you a  
constant flow of hap-  
piness. Like the  
image of a lady, in  
wilderness of love  
in children, her way  
over every stream of  
your being.

FOR ANGELS

You are a woman. Your dress  
inspiration is not  
new, and like any  
inspiration, it's plain,  
simple and

When every

mind is gone,  
become and forget to  
be.  
Dress  
making is not a  
hard row to hoe.
