As your soul flutters, so
does the rest of the
world. Their senses
flutter, they grow
nervous and agitated, as
they search a smile, a
gaze, an insight of
approval from your good
will. By such their hearts
oh graceful friend,
flutter on the wings of
your alacrity.

A woman with long dark hair, wearing a purple top and a large, patterned shawl, stands in front of a large, ornate stone building. She is looking upwards. The building has multiple levels with arched windows and intricate carvings. The shawl she is wearing has a colorful pattern with circular motifs in shades of purple, yellow, and red.
