विरासत

No one knows how she came about this amazing creation, she just knows, and she can channel the power of the earth and create an enchanting aura about her. Some say she knows ancient secrets, and it's passed on to others from the east. It's just her soul and magic, her fully crafted range of wear. What do you say?

विरासत

The Indian models, in spite of their... home, in the streets of London, in the waters of Venice, in the sands of the Middle East, in the balconies of Paris... her name is intertwined with hardness and softness.
