Many years ago I had a vision of a woman who would be remembered for her grace and elegance. And then I realized that she had to have the power to reflect and glorify to others. You see a woman is not just a person, it is a reflection of her soul, her heart, her mind, her spirit. And at the same time she is a person, because she lives to see you in your own way.

In the sea of the mundane,  
you stand alone, a paragon  
of life in an otherwise ev-  
eryday world. A vision of  
you, clad in our marvellous  
creations tells the story of  
an island surrounded by  
the vast and jealous  
oceans, ever trying to chip  
at your beauty.. but fail-  
ing everytime. You stand  
unimpeded, untouched and  
unblemished.

## A ballad *of ancient grace*

Many years pass until he remembers you, in your son's crafted out of mirth and happiness. And these reflections cause him to stop, to ponder to reflect and ultimately to rejoice. Your son is magic, it is perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he despairs, because the desire to see you is endless and boundless.

In the sea of the mundane, you stand alone: a paragon of life in an otherwise everyday world. A vision of you, clad in our marvellous creations tells the story of an island surrounded by the vast and jealous oceans, ever trying to chip at your beauty...but failing everytime. You stand unimpeded, untouched and unblemished.
