SONGS of vanity

In the sea of the mundane,
you stand alone- a paragon
of life in an otherwise ev-
eryday world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, even trying to chip
at your beauty... but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.

A ballad *of ancient grace*

Many years pass until he remembers you, in your soni crafted out of ninth and happiness. And these reflections cause him to stop, to ponder to reflect and ultimately to rejoice. Your soni is magic, it is perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he departs, because the desire to see you is endless and boundless.
