*Fashion Trends*

In the century, the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitudes. In the future, people will not only wear fashion and beauty, it'll represent the whole attitude of a generation, and this is even more prominent today.

### *Divya Style*

*In the century the style trends of the fashion industry normally do not move than they ever did, and control not only the way people dress but also trends in home wear design, making fashion and people's overall attitude. In the future years did not only women dress and beauty, it covered up the whole attitude of a generation, and this is even more prominent today.*
